"So far as my knowledge extends, no company in the world, during the same period of time from organization, has ever issued so large an amount of profices or received so hery an amount of premium income.

"Ex. Supt. of the last legality and corrections of the continent.

"Ex. Supt. of the lies benefit and corrections of the continent.

"Ex. Supt. of the lies benefit as the following: "No one can resid the President's report for 1870, the Missouri bemocrat has the following: "No one can resid the President's report without feeling that the Life Association is an established fact, not only because of its wonderful success heretofore, but because it is undeniably under the control of men who are thoroughly familiar with the business, and are engable of grapping with every exigency that may arise. Every line of the report impresses the reader with the lections that the institution is on its feel, ready to march forward with renewed vigor to certain success, irrespective of any obstacles it may have to encounter. Such a corporation is a credit to our state. The Insurance Chronicle (Chicago) says; "That a life insurance company, within two and one-half years from its organization (and those years of peculiar trial to life insurance), should not only have overcome an opposition bitter and unscriptulous to the last degree, but should have taken its proud place undisputed among the foremest company. At the company is also that the same interest of the premium of the company within two and one-half years from its organization (and those years of peculiar trial to life insurance), should not only have overcome an opposition bitter and unscriptulous to the last degree, but should have
